**Me:** I have a question

**Tracy S:** Hi.

**Tracy S:** Thank you for visiting AT&T! I would be happy to assist you with questions. My name is Tracy S may I ask who I have the pleasure of chatting with?

**Tracy S:** I am happy to answer. Please ask. ;)

**Me:** Hello, I am Logan. Do you have any knowledge if people who ordered the iPhone 6s Plus (non rose gold) will get their phone on Friday? Many of us ordered on the day pre orders started and we got an 10/16 - 10/23 ship date. Is there any way I could expedite this?

**Tracy S:** How are you this evening, Logan?

**Me:** I'm good, just curious

**Tracy S:** You will be the first to get it.

**Tracy S:** You should receive the phone the sooner date you were first provided as long as Apple releases, yes. :)

**Me:** Ok, I was just curious because even when the site went live the October range was on there. I got my new case today so I was just hoping I would have a phone to go along with it on Friday. Thank you!

**Tracy S:** My pleasure, me too, I ordered on my first break, lol, I have my case in hand so you are a few hours ahead of me.

**Tracy S:** I am excited for the 3D :)

**Me:** Same

**Tracy S:** Awesome. Thank you for choosing AT&T.
