

Silk ASMR

- Enjoy over 200 soothing voice tracks & relaxing sound tracks
- Mix & layer the audio tracks to create your perfect soundscape
- Ideal for ASMR, falling asleep, calming the mind, relaxing the body & children's bedtime
- Free app download, no ads
- Demo any track for free
- Buy only the tracks you love (*via in-app purchases*)

Peter Yearsley

I'm a virologist by training and I enjoy learning banjo and guitar, cooking, and recording for Librivox.

**Content created by
over 40 artists**

Over 40 Artists

ASMR artists

Audiobook narrators

Meditation coaches

Sound engineers

Voice artists

Krystal Paige

I recently graduated as an audio engineer and have been pursuing my vocal and engineering career.

Arrianna Nichols

I am a radio personality and a stage, screen, and voice-over actor living in Winchester, VA.

Deep Ocean of Sounds

My goal is to create sounds which can help you to relax, bring back memories, and trigger asmr sensations.

Tony Bomboni

I am a young man from Chicago who loves making ASMR videos and has a YouTube following of over 31,000 people.

Achazi

I'm an artist, musician, producer, and engineer with an interest in automobiles, fine cuisine, and new adventures.

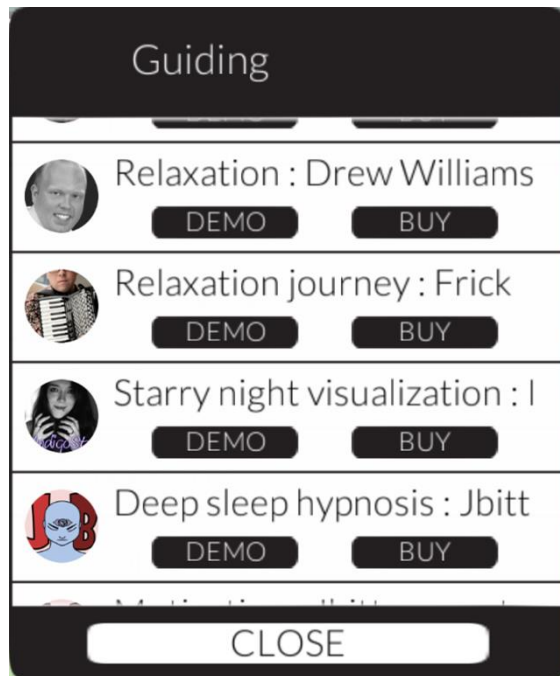

SoftAnnaPL

I live in Poland and when I'm not filming ASMR videos, I'm baking cakes, rollerblading, or watching Game of Thrones.

Michelle Wu

I like to run, cook and travel whenever possible. ASMR is a new discovery for me and I hope you enjoy the recordings.
